REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claimed subject matter is allowable over the prior art as per the Reasons for Allowance in the first Office Action dated 4/17/06. In the recent response, applicant, in his claimed invention, has distinguished the definition of a machine readable medium to include only tangible and statutory medium (storage media including memory and magnetic storage). The optical, electrical, and carrier waves cited in paragraph 68 are not included in the claimed subject matter, as reiterated in the Applicant's Remarks, section II. Because of this distinction, a rejection under 35 U.S.C. 101 would be improper and the case is allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anand Patel whose telephone number is (571) 272-7211. The examiner can normally be reached on Mon-Fri 8AM-4PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Rehana Perveen can be reached on (571) 272-3676. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
